10	49.76125, -94.16716	P	Access point	Place to put in or take out. Park at your own risk

The Lake of the Woods canoe routes guides are designed to provide trip planning assistance, but should not be the sole wayfinding source used on your canoe adventure. Detailed maps and Lake Charts are available and should be purchased prior to setting out. There are also numerous experienced guides locally who can be contacted to provide detailed trip information.
